REQUIRED SAFETY PRECAUTIONS

Windows in church will be opened slightly, based on CDC guidelines, even as the weather cools, to allow for circulation of fresh air. **PLEASE DO NOT CLOSE WINDOWS THAT HAVE BEEN OPENED.** Please remember to wear your mask at all times and to sanitize your hands upon entering the church. It is asked that you not gather inside after Mass, but continue out of the building. With your cooperation, we are hoping to be able to keep our churches open for worship into the Christmas Season.

MISSALETTES

Beginning this weekend, **a limited number of missalettes** will be available at the entrance of both churches. Those who wish may take one and keep it for their own use. Current health codes prohibit the shared use of missalettes. Anything left in the church will be disposed of. If you wish, you must take it with you and bring your missalette to Mass each time you come. Thank you for your cooperation.

 Saint Alexander Parish acknowledges a generous donation of Stop and Shop gift cards made by the **Bristol County Knights of Columbus**. These gift cards will go a long way toward helping those from the community seeking assistance this season.

McCauley Ministries offers their sincere thank you to the people of Holy Angels for their donation to the Covid 19 relief fund. Your donation helps to allow McCauley Ministries to continue their work of feeding clients who find themselves unable to provide adequate meals during this difficult time.

The Book of the Names of the Dead will remain in the vestibule of **Saint Alexander Church** **through this week**. Also, new this year, a **Book of the Names of the Dead** has been placed in front of the statue of the Blessed Virgin in **Holy Angels Church** throughout the month of November. PRAYER REQUESTS

The Intercessory Prayer Chain is an important part of the Holy Angels Social Outreach Ministry. This ministry offers confidential prayer support for anyone faced with an illness or health concern, loss, or any hardship for which they would like the prayers of the community. Should you wish for member’s prayers, please call or text 401.484.4925 and leave a detailed message. IF REQUESTED individual intentions will be published in the parish bulletin for the support of the parish community as well.

Vandalism at St. Alexander

Yet again, the church property was vandalized sometime last week. The door to the storage shed and the electrical box on the church was graffitied. A parish volunteer has repaired the damage. Unfortunately, this has happened before. Over the years, the church has been robbed several times, once while we were gathered for Mass. Let’s not forget the time the copper downspouts were taken right off the church. Additionally, over the course of my time here, the rectory has been robbed several times, as well as my truck. The parish cemetery has also been vandalized in the past. Please, if you know or see anything, tell me so proper action can be taken.
